EDUCATION

SR University

Bachelor of Computer Science and Engineering (CGPA : 8.362)

Warangal

Sep 2022 – June 2026

EXPERIENCE

Hop Italian Roman Domination

June 2024 – July 2024

National Institute Of Technology

Warangal

- Engineered differential evolution solution solving **12+** optimization problems improving accuracy by **9%**.
- Analyzed convergence using **3000+** data points identifying three crash causes through statistics.
- A formal research publication outlining innovative project methodologies, which became a foundational resource for **200+** students and professionals seeking guidance in complex project execution and analysis.

PROJECTS

EmoLearn-Nexus – Emotion Detection Through Video Calls

Jan 2024 – Mar 2024

- Constructed a real-time emotion analytics dashboard with a React frontend and FastAPI backend, supporting up to **20** simultaneous users with minimal latency issues.
- Built AI-powered adaptive learning platform using React and FastAPI, reducing concept mastery time by **15%**.
- Designed React frontend and FastAPI backend emotion dashboard achieving **90%** detection accuracy with real-time insights.
- Tech: Python, FastAPI, OpenCV, MediaPipe, DeepFace, librosa, PyAudio, SpeechRecognition, torch, Groq API (Llama3-70B), JSON, CSV, Mouse interaction tracking modules.

NLP – Summarizing Medical Records using T5

Aug 2024 – Oct 2024

- Implemented T5-based medical record summarization model improving accuracy by **10%** and supporting informed clinical decisions.
- Built custom preprocessing pipelines with cleaning and tokenization, reducing summarization training time **12%** and accuracy.
- Benchmarked T5 summarization against industry standards using BLEU, achieving **0.32** score identifying accuracy improvements areas.
- Tech: Python, Natural Language Processing, Text Summarization, T5 (Text-to-Text Transfer Transformer), Hugging Face Transformers, PyTorch, Tokenizers

PATENTS & PUBLICATIONS

- Computational Intelligence Based on Disease and Symptoms Using Machine Learning Techniques**, Application No: **202541014662A**, Pages 10–15, Published March 07, 2025, Hyderabad. **Author:** Pagadala Ananya. Publisher: Dr. Vijaya Chandra.

TECHNICAL SKILLS & HOBBIES

Languages: Python, C, SQL, HTML

Cloud & Databases: AWS, Azure, MongoDB, MySQL

ML & AI: Machine Learning, NLP, Classification

Libraries: pandas, NumPy, Matplotlib

Hobbies: Painting, Drawing, Reading novels, Travelling

LEADERSHIP

- Marketing & PR Head — AIML Club**, SR University

Sep 2024 – May 2025

CERTIFICATIONS

- AWS Machine Learning Foundations**
- Microsoft Azure Fundamentals**
- AWS Cloud Foundations**
